ABOUT THE PROPERTY

One hundred and seventy-four acres of unrestricted level to gently rolling mainly row cropland with the remainder being grazing land. This East Tennessee property is divided into thirteen tracts ranging from five acres to forty-four acres tracts, public water is at the road and is available to all tracts. There is no zoning in Hawkins County Tennessee so it allows you to basically build whatever you desire, grow your own food, and allows you the freedom to live without all the regulations of the city life with no restrictions against animals.

This Hawkins County Tennessee is located at 995 Carter Valley Road Rogersville, Tennessee 37857. This property is twenty miles to Kingsport Tennessee, fifteen miles to Historical Rogersville and within an hour's drive of Virginia and North Carolina state line.

This Auction is on-site, on March 21, 2020, at 11:00 AM EST

The property will be offered in single tracts, a small grouping of tracts and then offered as a whole.
